Miss Thompson

Week of 18 November 2013

The origins of Greek culture can be found in the Mycenaean age, which lasted from about 1600 BC to 1100 BC. People of this time were the first to worship many of the gods later worshipped by the Greeks. The stories of heroes at the time like Achilles and Odysseus, were later related by the Greek poet Homer in his epic poems The Iliad and The Odyssey.
