*Veterans Day is celebrated on November 11 to honor and thank everyone who has served with the United States Military. Veterans Day was once called Armistice Day. Armistice Day was created to honor veterans of World War I.

*During World War II Disney made films for each branch of the United States government. 90% of Disney employees worked making propaganda and training videos during WWII.

*November 11, 1919 was the first day Armistice Day was celebrated. Germany signed the armistice slowing the hostilities of WWI in the 11th month, on the 11th day, during the 11th hour.
