

Who said it?

- Early to bed, early to rise, makes a man healthy, wealthy, and wise
- An apple a day keeps the doctor away
- Three may keep a secret if two of them are dead
- Fish and visitors smell in three days

BENJAMIN FRANKLIN (1706-1790) was one of the most celebrated of America's Founding Fathers, a man who enjoyed success as an inventor, scientist, printer, politician, and diplomat. He helped to draft both the Declaration of Independence and the Constitution of the United States.

visit this [link](#) and view his inventions..... choose one of the many and read the description.

1. Which invention or innovation did you chose? Give a short description of it.
2. How would life be different without that invention or innovation?
