

THE PREAMBLE

is one of the most important parts. In

it, the framers explained the goals of the Constitution.

Watch The [Preamble](#) video. Then, answer the questions below.

1. What are some ways the beliefs and goals of the framers that are explained in the Constitution can still be seen in our government today?
2. What is meant by the words **our posterity** in the line: “secure the Blessings of Liberty for Ourselves and Our Posterity”?
3. What does the line, “ensure domestic tranquility” mean?
4. According to the Preamble, the power of the government comes from a certain source. What is that source? Why is it significant?
