Chapter 5 Vocabulary (pp. 152-173)

Directions: Choose 10 words from the 17 listed. For EACH word, write the definition, draw a picture or a symbol to represent it, and use the word in an ORIGINAL sentence that contains a context clue. A context clue is a word or words that help you understand the meaning of the word.

Example: eradicate (word)

If you want to eradicate crime, it would be helpful to provide jobs to people who don't have one.
